SC06

Design by Castiglia Associati & K. Miksza

EN SC06 is a system of operative workstations offering a variety of configurations: individual, bench, executive and meeting tables. It features a perimeter aluminum structure with a square leg to support the worktop. A wide range of finishes is available. The side cabinets and drawers can be combined as functional accessories creating storage spaces and supporting surfaces.

IT SC06 è un sistema di postazioni operative singole o a bench, direzionali e tavoli riunioni caratterizzato da una struttura in alluminio perimetrale ai piani, con gamba a sezione quadrata. Le configurazioni possibili sono molteplici così come le finiture. I mobiletti laterali e le cassettiere possono essere abbinati come accessorio funzionale, creando spazi di archiviazione e piani di appoggio.
